Pass/Fail	Average Grade								
Notes	<ol style="list-style-type: none"> 1. Upon completing the oral defense, the student must log in to the Academic Administration System to update the thesis/dissertation title and upload the abstract. (The Chinese and English thesis/dissertation titles on all submitted documents and covers must be consistent in style, including capitalization and punctuation.) 2. Each master's thesis committee shall consist of 3-5 members (including the advisor), and at least 1 member shall be an external examiner chosen from outside the University. Each doctoral dissertation committee shall consist of 5-9 members (including the advisor), and at least 3 members shall be external examiners. 3. The final grade is the average of all the grades obtained. However, the defense is deemed failed if half (or more) of the committee members grade it as failed. If approved, decisions of the committee are not reversible. 4. The minimum passing grade of the defense is 70. 5. This report is made in two originals and should be signed by your advisor and department chair/institute director at the end of the defense. After the defense, please submit them to the Registration Division, Office of Academic Affairs as well as your department office within 7 days to be retained for record purposes. 6. All degree candidate must have the understanding that school and professors secure intellectual property rights for their research results or achievements in all forms. All degree candidates must not use any results and achievements in research without approval from your supervisors or school for personal publication in all forms. 7. In case of necessary change of the thesis/dissertation title, the member _____ may be authorized by the committee to approve it with a signature. 8. According to MOE official document issued on March 13th, 2020, the thesis of degree candidates must accord with their specialized research area of their study major in the department, the institute, or the program in which they enroll.
